Madam/Sir

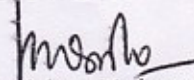

Reference your proposal & the Sports Calendar uploaded on cbseports.in webpage, the Board is pleased to allot your school the organization of one of its sporting competitions as mentioned above.

The following are prerequisites for hosting the event:

- 1) The General Rules & Regulations and in particular the rules of discipline which you are going to host shall soon be downloaded from Board's Online Sports Portal cbseports.in
- 2) In case you have been assigned to organize a Cluster/Zone Level Competition; you may please fix the dates according to your convenience (while referring the dates mentioned against your school details under Board's Sports Calendar) and inform the undersigned so that the same could be uploaded accordingly.
- 3) Engage only the qualified and recognized Technical Officials by contacting the District/State Federation for officiating during the competition. Ensure that the rules laid by the Board are strictly adhered-to throughout the competition. Also, during the competition the health and safety of the participants must be given top-priority.
- 4) For the information of various participating schools, each & every organizing school must create a file/folder on its Homepage of School's Website which shall include the details about school & the competition being organized by it, e.g. actual address of the school, how to reach it; dates of the competition, do's & don'ts and rules etc. And, once the competition is over, the detailed results & photographs may also be uploaded there.
- 5) The organizing schools needn't communicate with any of the schools falling under their Clusters/Zones. It is a must that any school wishing to participate applies only through online process.

Should you have any other query in this regard, please do not hesitate to contact the undersigned.

Best wishes
